PROPERTY DESCRIPTION

Built in 1985, this home has soaring cathedral ceilings in the living and dining spaces. The large stone fireplace will keep you warm and cozy during New England's cold winter days. There is a first floor bedroom with an adjacent full bath and another half bath on the first level. Upstairs you will find the master-suite with extra space in the loft area where you can set up an office or sitting room. Set on just over a half acre, this private lot has ample space for gardening and entertaining in the yard. With 1,375 square feet of comfortable living, this home has potential for more living space in the full unfinished basement.
